

Fans Flock To See Champion Stallion Ivory Pal At Seminole Feed Company

By Gail Shrine

On July 29 2006, the doors opened at 9:00 a.m. and the event continued until 4:00 p.m. that afternoon at the Seminole Feed store located at 5740 West Highway 40, Ocala, Florida.

Humans, dogs, and roosters literally flocked into the Seminole Feed Store to see Champion Tennessee Walker stallion, Ivory Pal. Pal, as we affectionately call him, was inside the store (yes, inside!) to promote the new line of Seminole/Spillers Safety First feed and to sign the Summer 2006 issue of *Equus Caballus* magazine.

Ivory Pal graces the cover of the magazine and his story, "The Road Less Traveled" is featured.

Ivory Pal charmed his fans with his incredible temperament and charisma as he greeted everyone with bows, waves and standing on his favorite pedestal. The beauty, temperamental, and dignity of Ivory Pal impressed everyone and one of his admirers was overheard saying, "The presence of this stallion is amazing and he seems larger than life - I think there is a little person inside Ivory Pal."
